## Get Free Microsoft Points Codes

28 Dec, 2009 6 Comments

**Free Microsoft Points**, most people would download microsoft points generator, but don't realize it will only bring trouble. Well, I'm going to show you how to get **free microsoft points** codes e-mailed to you 100% free without the need of those fake **free microsoft points** generator.

### 3 Steps to getting Free Microsoft Points

#### Step 1 – Signing up

Click the above banner to be taken to the rewards website which offer **free microsoft points**, and sign-up for a free account.

They will ask you for your email, there where they will send you your **free microsoft points** code. Once you register, go and confirm your email. You're ready to get started.

#### Step 2 – Earning Points

In order to get your **free microsoft points**, you must earn enough points to redeem them for **free microsoft points** code. To earn points, all you have to do is complete simple free surveys or offers.

To complete surveys or offers, click the "offer" tab. It will take you to a full list of some free offer and surveys you can complete. Start completing them so you can earn enough points for **free microsoft points**.

#### Step 3- Redeem Points for Free Microsoft Points

Once you have completed some surveys, and have enough points for **free microsoft points**, head over to the "rewards center"(the fun part =), and click on "browse rewards". There, you can see a whole list of free stuff you can redeem for free.

The **free microsoft points** card are in the "xbox 360" tab. It will only cost you as low as 10 points. Once you found the **free microsoft points** card, click "request" and wait for the code to be emailed to you.

It only takes around 0-3 days for the **free microsoft points** code to be email to you. I

## Free Microsoft Points – How does this work and is this legal?

 28 Dec, 2009  2 Comments

### Getting Free Microsoft Points – How does this work and is this legal?

When you buy a **Free Microsoft Points** card you just enter the code and Microsoft credits you with the points right? Well, if you follow the directions above there's a site that will EMAIL these codes to you! This site, called Rewards1, buys the codes from Microsoft and they get paid by the sponsors that advertise on their site. So yes, this is 100% legit and legal.

### Free Microsoft Points – Is there proof that this works?

Of course! Thousands of people across the world use Rewards1 to get **Free Microsoft Points**, Xbox live subscriptions, and virtually anything from amazon.com!

To the right there are a few of my many prizes i have received from Rewards1. The first picture is my e-mail of a valid **Free Microsoft Points** code I received the very next day I requested it. You can also view the "proof" page for more pictures.

Hi [redacted]

Congratulations your prize request:  
Xbox 360 Live 1600 Points  
has been fulfilled!

Your code is: WM9RX GG6J2 4WKD9 FDJWM TYH76

Thank you for using [Rewards1.com](http://Rewards1.com)!

### Free Microsoft Points – OK, How do I get started?

Just go to the [free microsoft points](#) post and read the 3 simple instruction you have to follow in order to get your **free microsoft points** sent to your email.

## Free Microsoft Points – The True About Microsoft Points Generator

 28 Dec, 2009  No Comments
